Electrovaya Completes Final Tranche of Private Placement

Toronto, Ontario – October 4, 2017

Electrovaya Inc. (TSX: EFL) (OTCQX:EFLVF) (“**Electrovaya**”, or the “**Company**”) is pleased to announce that it has completed the second and final tranche of its previously announced private placement of units (the “**Units**”). The Company received subscriptions for Units in excess of the initial planned offering size of \$5,000,000, and the second tranche consisted of the issuance of 604,347 Units at a price of \$1.15 per Unit for gross proceeds of approximately \$695,000. The total aggregate gross proceeds raised in the private placement amounted to approximately \$5,295,000.

Each Unit is comprised of one common share of the Company (a “**Common Share**”) and one Common Share purchase warrant (a “**Warrant**”). Each Warrant entitles the holder thereof to acquire one Common Share at a price of \$1.45 for a period of 60 months from the closing of the Offering.

The Common Shares and Warrants composing the Units are subject to a hold period of four months plus a day from the date of issuance pursuant to applicable securities laws. The proceeds of the Offering will be used for general working capital purposes.

The Company paid cash finders fees in the aggregate amount of \$48,649.93, representing 7% of the cash proceeds raised in connection with the subscriptions for Units. The Company also issued that number of broker warrants (the “**Broker Warrants**”) as is equal to 7% of the number Units purchased by the subscribers. Each Broker Warrant entitles the holder thereof to purchase one Common Share at a price of \$1.45 for a period of 60 months from the date of issuance.

The Common Shares composing the Units and underlying the Warrants and Broker Warrants have been conditionally approved for listing on the Toronto Stock Exchange.

This press release contains forward-looking statements, including statements that relate to, among other things, the use of proceeds of the private placement, revenue forecasts, technology development progress, plans for shipment using the Company's technology, production plans, the Company's markets, objectives, goals, strategies, intentions, beliefs, expectations and estimates, and can generally be identified by the use of words such as "may", "will", "could", "should", "would", "likely", "possible", "expect", "intend", "estimate", "anticipate", "believe", "plan", "objective" and "continue" (or the negative thereof) and words and expressions of similar import. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, such statements involve risks and uncertainties, and undue reliance should not be placed on such statements. Certain material factors or assumptions are applied in making forward-looking statements, and actual results may differ materially from those expressed or implied in such statements. Important factors that could cause actual results to differ materially from expectations include but are not limited to: market conditions and demand for the Company's securities; general business and economic conditions (including but not limited to currency rates and creditworthiness of customers); Company liquidity and capital resources, including the availability of additional capital resources to fund its activities; level of competition; changes in laws and regulations; legal and regulatory proceedings; the ability to adapt products and services to the changing market; the ability to attract and retain key executives; and the ability to execute strategic plans. Additional information about material factors that could cause actual results to differ materially from expectations and about material factors or assumptions applied in making forward-looking statements may be found in the Company's most recent annual and interim Management's Discussion and Analysis under "Risk and Uncertainties" as well as in other public disclosure documents filed with Canadian securities regulatory authorities. The Company does not undertake any obligation to update publicly or to revise any of the forward-looking statements contained in this document, whether as a result of new information, future events or otherwise, except as required by law.
