

News for Immediate Release

Electrovaya starts delivery under the Multiyear Master Service Agreement with a Fortune 1000 company

Toronto, Ontario – July 26, 2016 – Electrovaya Inc. (TSX: EFL) (OTCQX:EFLVF) announced that it is receiving purchase orders pursuant to the earlier announced Multiyear Service Agreement (MSA) with a US based Fortune 1000, NYSE listed, OEM (Original Equipment Manufacturer). Deliveries against the purchase orders have also started.

The MSA relates to Electrovaya supplying Lithium Ion Battery Modules, Battery Management Systems and related services. The estimated revenue from the MSA is about US\$ 80 million (~C\$105 million) over a period of three years.

All Electrovaya's Lithium ion battery products contain its unique and proprietary flexible ceramic separator, SEPARION™, which imparts the industry leading safety in lithium ion batteries. SEPARION™ is a flexible ceramic embedded separator with superior thermal resistant properties than the ubiquitous ceramic coated polyolefin separators.

Forward-Looking Statements

This press release contains forward-looking statements, including statements that relate to, among other things, revenue forecasts, technology development progress, plans for shipment using the Company's technology, production plans, the Company's markets, objectives, goals, strategies, intentions, beliefs, expectations and estimates, and can generally be identified by the use of words such as "may", "will", "could", "should", "would", "likely", "possible", "expect", "intend", "estimate", "anticipate", "believe", "plan", "objective" and "continue" (or the negative thereof) and words and expressions of similar import. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, such statements involve risks and uncertainties, and undue reliance should not be placed on such statements. Certain material factors or assumptions are applied in making forward-looking statements, and actual results may differ materially from those expressed or implied in such statements. Important factors that could cause actual results to differ materially from expectations include but are not limited to: general business and economic conditions (including but not limited to currency rates and creditworthiness of customers); Company liquidity and capital resources, including the availability of additional capital resources to fund its activities; level of competition; changes in laws and regulations; legal and regulatory proceedings; the ability to adapt products and services to the changing market; the ability to attract and retain key executives; and the ability to execute strategic plans. Additional information about material factors that could cause actual results to differ materially from expectations and about material factors or assumptions applied in making forward-looking statements may be found in the Company's most recent annual and interim Management's Discussion and Analysis under "Risk and Uncertainties" as well as in other public disclosure documents filed with Canadian securities regulatory authorities. The Company does not undertake any obligation to update publicly or to revise any of the forward-looking statements contained in this document, whether as a result of new information, future events or otherwise, except as required by law.
