## **Electrovaya supplying Lithium Ion Batteries to Hyster-Yale**

*Ceramic separator, Separion™, gives industry leading safety to Lithium Ion batteries.*

**Toronto, Ontario – September 15<sup>th</sup>, 2016** – Electrovaya (TSX:EFL) (OTCQX:EFLVF) today announced that it is supplying Lithium Ion Batteries to Hyster-Yale Group. These Lithium ion battery modules all contain Electrovaya's proprietary ceramic separator, Separion™, which provides the highest level of reliability and cycle life to lithium ion batteries.

Electrovaya had previously announced this relationship in a press release on May 26, 2016 announcing signing of the Master Supply Agreement and on July 26, 2016 announcing the start of deliveries against purchase orders without naming the customer.

### **Forward-Looking Statements**

*This press release contains forward-looking statements, including statements that relate to, among other things, revenue forecasts, technology development progress, plans for shipment using the Company's technology, production plans, the*

*Company's markets, objectives, goals, strategies, intentions, beliefs, expectations and estimates, and can generally be identified by the use of words such as "may", "will", "could", "should", "would", "likely", "possible", "expect", "intend", "estimate", "anticipate", "believe", "plan", "objective" and "continue" (or the negative thereof) and words and expressions of similar import. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, such statements involve risks and uncertainties, and undue reliance should not be placed on such statements. Certain material factors or assumptions are applied in making forward-looking statements, and actual results may differ materially from those expressed or implied in such statements. Important factors that could cause actual results to differ materially from expectations include but are not limited to: general business and economic conditions (including but not limited to currency rates and creditworthiness of customers); Company liquidity and capital resources, including the availability of additional capital resources to fund its activities; level of competition; changes in laws and regulations; legal and regulatory proceedings; the ability to adapt products and services to the changing market; the ability to attract and retain key executives; and the ability to execute strategic plans. Additional information about material factors that could cause actual results to differ materially from expectations and about material factors or assumptions applied in making forward-looking statements may be found in the Company's most recent annual and interim Management's Discussion and Analysis under "Risk and Uncertainties" as well as in other public disclosure documents filed with Canadian securities regulatory authorities. The Company does not undertake any obligation to update publicly or to revise any of the forward-looking statements contained in this document, whether as a result of new information, future events or otherwise, except as required by law.*
