

News for Immediate Release:

ELECTROFUEL ANNOUNCES FILBITRON AS ITS FIRST DISTRIBUTOR IN CANADA

Toronto, Ontario – July 10, 2001 – Electrofuel Inc. (TSE:EFL) announced today that Canadian reseller, Filbitron Systems Group Inc., has signed an agreement to become a Platinum Value Added Reseller of Electrofuel's PowerPad battery product line. Selling both the PowerPad 120 and the PowerPad 160 directly to resellers, large corporations, retailers and government agencies in Canada, Filbitron will also fulfill end-user purchases for Canadian consumers.

"Filbitron's ability to effectively market to all levels of distribution and provide the wide range of services Electrofuel requires in order to meet the needs of the Canadian market, makes them an ideal partner in support of our ongoing efforts to expand distribution rapidly," said Patrick McCool, Vice President, Sales and Marketing for Electrofuel.

"Filbitron, as a pioneer in the development of truly mobile computing solutions, is pleased to announce our partnership with another Canadian pioneer, Electrofuel," said Scott Ball, Vice President of Filbitron, "Now, armed with the PowerPad 160 and the newly announced PowerPad 120 our clients will have access to a seemingly endless supply of power without sacrificing mobility."

About Electrofuel

Electrofuel Inc. develops, manufactures and sells products using its proprietary lithium ion SuperPolymer rechargeable battery technology, which delivers the highest energy density levels of any battery technology on the market today. Electrofuel's goal is to become the leading provider of portable power for the notebook computer and wireless sectors, and to apply its technology to a broad spectrum of alternative energy applications over the long term. Electrofuel is a public company trading on the Toronto Stock Exchange under the symbol EFL.
