

Electrovaya Exhibits Zero Emission Vehicle Technology at the CleanTech Forum in Toronto 24th-26th October 2007

Electrovaya also speaking next week at Knowledge Foundation's Lithium Mobile Power and Plug-in Hybrid 2007 Conferences

Toronto, Ontario, October 24, 2007-- Electrovaya (TSX: EFL) today announced that it is exhibiting its Zero Emission vehicle technology at the Cleantech Forum™ in Toronto from the 24th to 26th of October, 2007. The Cleantech Forums™ are the world's premier cleantech investment platforms, providing unparalleled definition, analysis, networking, deal flow and thought leadership for the cleantech investment category.

Electrovaya has also been invited to speak next week at The Knowledge Foundation's Lithium Mobile Power Conference in San Diego and at the PHEV (Plug in Hybrid) 2007 Conference in Winnipeg.

About Electrovaya:

Electrovaya (TSX: EFL) is a developer and manufacturer of portable power solutions with its proprietary Lithium Ion SuperPolymer® battery technology. Its goal is to become the preferred provider of tablet PCs, portable power for aerospace, defence and wireless sectors, and the developer of alternative energy applications including UPS, stand-by power, plug-in hybrids and zero-emission vehicles. The Company's shares trade on the Toronto Stock Exchange under the symbol EFL.
