

News for Immediate Release

Electrovaya Presents at a number of Battery, Electric Vehicle and Finance Conferences

Toronto, Ontario – October 14, 2009 – Electrovaya Inc. (TSX: EFL) was an invited speaker, and is scheduled for other upcoming conferences, as follows:

- 5th International IEEE Vehicle Power and Propulsion Conference (VPPC'09) held in Dearborn, Michigan from September 9-11, 2009. The panel, chaired by Chrysler, also included speakers from GM, Chrysler, State of Michigan and Automotive Partnership Canada.
- PHEV'09 held from September 28-30, 2009 in Montreal. Electrovaya presented during the technical workshop on emerging battery technologies for automotive application. Electrovaya also presented during the closing discussion panel on energy storage and electric vehicles alongside Ford, GM, Zenn, Nissan and Toyota.
- Concurrent with the PHEV 2009 event, Electrovaya was re-elected Vice-Chair of Electric Mobility Canada (EMC). One of the principal efforts over the last year of EMC has been the development of the “Electric Vehicle Technology Roadmap” to accelerate the introduction of electric traction vehicles in Canada.
- TiE Entrepreneur Forum in Toronto, upcoming on October 14, 2009. TiE has grown to become the world's largest not-for-profit organization for entrepreneurs with 40 chapters and 8000 members worldwide.
- Inaugural Wedbush Morgan Securities' Clean Technology & Industrial Growth Conference, upcoming on November 2, 2009 in San Francisco. This conference is focused on the growth companies in the cleantech sector.

About Electrovaya

Electrovaya (TSX:EFL) is a world leader in the design, development and manufacture of its proprietary Lithium Ion SuperPolymer® battery systems. Electrovaya's mission is to accelerate clean transportation as a commercial reality with its advanced power systems for all classes of zero-emission electric vehicles and plug-in hybrid electric vehicles. Electrovaya also offers battery-related consumer products primarily focused on the healthcare market. *For more information about Electrovaya and its products, please visit the website at www.electrovaya.com.*
