

*News for Immediate Release*

## **Electrovaya to Exhibit at PROMAT 2023 on March 20-23 in Chicago, IL**

**Toronto, Ontario – March 14, 2023** – Electrovaya Inc. (“Electrovaya” or the “Company”) (TSX: EFL; OTCQB: EFLVF), a leading lithium-ion battery technology and manufacturing company, is exhibiting in PROMAT 2023 to showcase its Lithium-ion ceramic technology and battery solutions for the material handling industry. The conference is occurring from March 20-23, 2023 at the McCormick Place in Chicago, IL.

Electrovaya will exhibit its lithium ion battery system product lines, which are currently powering several thousand material handling vehicles. Electrovaya’s battery systems, based on our proprietary Infinity battery technology, offer superior safety and cycle life and thus provide sophisticated commercial customers with the lowest overall cost of ownership.

Electrovaya invites attendees of the PROMAT 2023 conference and exhibition to visit [Electrovaya](#) at [Booth S2315](#). To set up a meeting directly with Electrovaya’s team at PROMAT 2023, please email [sales@electrovaya.com](mailto:sales@electrovaya.com).
