About Electrovaya Inc.

Electrovaya Inc. (NASDAQ: ELVA; TSX: ELVA) is a technology-driven lithium-ion battery company commercializing its proprietary Infinity Battery Technology, designed for superior safety, longevity, and performance in mission-critical industrial, robotics, defense and energy-storage applications. The Company leverages a strong intellectual-property portfolio and advanced materials expertise to deliver durable, high-value battery solutions to global OEMs and end users. To support growing demand and advancing energy-security and national-security objectives, Electrovaya is expanding U.S. manufacturing through its 52-acre Jamestown, New York site,

which includes a 137,000-square-foot facility planned as its first gigafactory. Electrovaya also operates two Canadian sites focused on research, engineering, and product commercialization. For more information, please visit www.electrovaya.com.
